Dear Coaches & Players:

The Western Wisconsin Women's Basketball League for the summer of 2010 will give you or your players a chance to play competitive basketball on Thursday nights. The last few years this was run by Sarah Pollock with teams playing in River Falls. For 2009 Butch Olson and I ran the league in Osseo. We will do this again in 2010. Games will be played at Osseo Fairchild High School on Thursday nights. The High School is located in Osseo. This is about 20 minutes south of Eau Claire on I94.

Please spread the word to as many teams and players as possible!

The league will run for six weeks on Thursday nights, three in June, and three in July. Teams will **play two games per night**, for a total of 12 games. Gym space will be secured at Osseo Fairchild High School facility for all league nights.

Your team MUST ALL have NUMBERED jerseys, ALL OF THE SAME COLOR. Jerseys will not be provided.

Note: If your team does not have enough players in the area to make a full team, combine with another college team or I can place you to a mixed team. **Alumni as well may form teams and participate!**

I look forward to having your players join and take advantage of this opportunity! **Please email back ASAP if you are interested in the league so planning and reservations can continue.**

If you have any questions feel free to contact me at 715-456-1680 or email at c.gregorich@hotmail.com

Sincerely,

Chuck Gregorich
